DIRECTORS' DELEGATIONS

The FS, BLM, BIA and NPS Directors have written delegated authority from their respective agency heads to:

Represent their agency on all matters related to wildland fire operations. This includes membership on the Durango Area Multi-Agency Coordinating Group; determining local priorities and allocating/re-allocating incident resources.

Represent the state and counties interests in the absence of their local representative.

See Chapter 30 of the National and RMA Mobilization Guides for more detailed MAC Group and Expanded Dispatch Operational Information.
